Temporary lane closures on A4091 near Middleton

July 2021 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons. Please note that all of the times in this notification are subject to change.

There will be a temporary lane closure

We will be carrying out surveys along the A4091 and will require a single lane closure on the north and south bound carriageway to conduct these safely. These lane closures will be in place on the following dates and times:

- Wednesday 14th July - Thursday 15th July, 3.30pm – 5.30am
- Thursday 29th - Friday 30th July, 3.30pm – 5.30am

Access to properties and businesses will be maintained. Please see the map overleaf for more information.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
