

# Notice of the U46 footpath diversion

July 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

You can sign up for regular updates in your local area at [www.hs2inhillingdon.co.uk](http://www.hs2inhillingdon.co.uk).

## The U46 footpath diversion

We are progressing to a stage in our works where we will be diverting a number of footpaths. These works will facilitate the completion of the internal haul road and help to keep as many vehicles off local roads as possible.

Our first diversion is the U46 footpath, the short footpath that runs from the Celadine Way to Breakspear Road South near Oak Farm. The surface of U43 has been improved and extended and it currently progresses south behind the trees and emerges at a marked crossing point in Breakspear Road South. Please see map below.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)

### Duration of closure

The diversion will be in place on 7 July and will remain in place until the new HS2 bridge is built and a new footpath is opened

### What to expect

Fences and work to take place in the area next to Oak Farm

### What we will do

Clear diversion signage will be in place
