

HS2

Community Representative Group Meeting

Monday 24 May 2021

Community Engagement

We're moving your local website within the HS2 website

This summer we will be **moving the community website** to the '[In your area](#)' section of the main HS2 website.

We have already published [local community webpages](#) for each section of the route. Over the coming weeks **we will be adding further pages and information** to each area.

Once we have moved all the key pages and information onto the HS2 website later this summer, **we will stop updating our Commonplace websites**. Visitors will be sign posted directly to the to the new pages within HS2.org.uk

Community Engagement

We're making changes to the way we share updates by email

- In addition to moving the local website, we are also taking this opportunity to **improve our mailing lists**
- From 5 July **we will no longer be using Commonplace to issue email updates**. Instead, **we will issue email updates directly from HS2 website**.
- We will **continue to produce regular updates about the project**, including notifications of our upcoming works.
- If you would like **to continue to receive email updates** about HS2, you can **sign up to join our mailing list** at: <https://engagement.hs2.org.uk/join-mailing-list/>
- Personal information will be handled in accordance with current data protection legislation and only used for the purposes for which you have provided it.

Community Engagement

Welcome feedback on how location of meetings going forward:

- Keep to on-line
- Hybrid of on-line and face-to-face every other meeting from September 21

HS2 community and business funds:

- London Borough of Ealing
- London Borough of Hammersmith & Fulham

You can [find out more information about the funds on Groundwork's website](#) which includes an [explanation of the different the application processes](#) and [interactive map](#) showing the projects already awarded funding.

Thank you
