

Notice of road surfacing works, Great Missenden

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance.

Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area.

What are we doing?

Further to our highway improvement works on the Link Road and the A413 late last year, we need to undertake an area of resurfacing and white lining on the A413 and Link Road.

The resurfacing works on the A413 and white lining in Link Road will be for one night only on the 8 August. To renew the road marking in Link Road we will need to close the Link Road overnight.

The road will be closed from **7:00pm on 8 August 2021 until 5:30am on 9 August 2021**.

A lane closure on the A413 from the Frith Hill roundabout to the Link Road roundabout and for a section of the north bound highway on the A413 towards Wendover will be put in place, with carriageway lanes narrowed to enable works to be completed. We will not be using temporary traffic lights for these works.

Please see the map enclosed for further information.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
