## Notice of westbound lane closure on the A45 Coventry Road

July 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and Murphy & Sons, known as LM.

### We're carrying out vegetation clearance

We have been working in your area to prepare the way for the future HS2 railway route. This work includes vegetation and tree removal ahead of construction later this year.

### We'll be installing a lane closure from Thursday 15 July

To carry out roadside vegetation clearance safely, we'll install a temporary lane closure on the A45 Coventry Road slip road leading to the Bickenhill Household Waste and Recycling Centre (HWRC). Access to Bickenhill HWRC will be maintained at all times. More information can be found in the map on the next page.

This lane closure will be in place from **Thursday 15 July until Friday 13 August between 8.00am until 6.00pm**. Our contractors may be on site for up to an hour before and after those times to set up and secure the site. Please note, the lane closure may be lifted earlier if we complete our works ahead of schedule

Access will be maintained for local businesses and journeys to local amenities and the public footpath will be marshalled to ensure pedestrians are safely escorted through the works.

### HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.
