Notice of temporary changes to access to and from Birmingham Business Park in August

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're improving the local road network

We are remodelling and improving sections of the existing road network in the area and creating new routes on HS2 land. These road improvements will ensure that when the future station is operational, the local road network is fit for purpose. Upon completion, a new T-junction will replace Northway Island. A new 'longabout' is already in operation outside the Holiday Inn Express NEC, on the way to the National Exhibition Centre (NEC).

To date, we have connected parts of the existing road network to some of the new routes we have created, and installed new pedestrian footpaths, kerb lines and central reservations in the area. **We started the creation of the new T-junction in April 2021. This programme will continue with some temporary changes to Birmingham Business Park's entrance and exit arrangements off Northway Island in August.**

Temporary access changes will start on Friday 6 August

To carry out this programme safely, we will install a temporary closure of Birmingham Business Park's entrance and exit, along Solihull Parkway, off Northway Island from 7pm on Friday 6 August, through to 4am on Monday 9 August. Throughout the closure, access to the park will be maintained via Progress Way off the B4438. A signed diversion route will be in place for road users during the closure (see map on page 2).

These traffic measures will be carried out in conjunction with a new direction of travel for road users around Northway Island, which commenced on Monday 19 July.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

From 7pm on Friday 6 August, to 4am on Monday 9 August Birmingham Business Park's entrance and exit, along Solihull Parkway, off Northway Island will be closed.

What to expect

Access to Birmingham Business Park will be maintained via Progress Way off the B4438.

Our contractors may be on site up to an hour before and after those times to set up and close down the site.

What we will do

Install a signed diversion route for road users during the closure.

Keep all sites safe and secure.

Leave the area in a tidy state when works are complete.

What else is happening in your area?

July 2021 | www.hs2.org.uk

HS2's interactive works map

We have introduced a new, user-friendly interactive map to the HS2 website, making it easier and simpler for you to find out what current and upcoming works we are carrying out in your area.

The new map brings all of our work notifications together on one webpage, making it easier for you to navigate and ensure you are kept up to date on the work we are doing to deliver the new railway. There is also a text only view, which allows you to view the information in a table and filter results for each area.

Each work item, highlighted on the map with a 'hard hat' icon, lets you know:

- the location and planned duration of the works
- which contractor is delivering it, and
- what kind of activity they are doing, such as setting up a compound or an archaeological dig.

To access the map, please visit: www.hs2.org.uk/in-your-area/map

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses across Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
