

Update: lorry lay-by install on Park Village East north

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. If you have any questions about this, please contact our Helpdesk to find out more.

We previously informed you, we will install a lorry lay-by at the northern end of Park Village East to facilitate works within our track level worksite. We have cleared the planter and will now begin works to prepare and install the lay-by from 21 March.

Replacement parking bays on Park Village East north – March

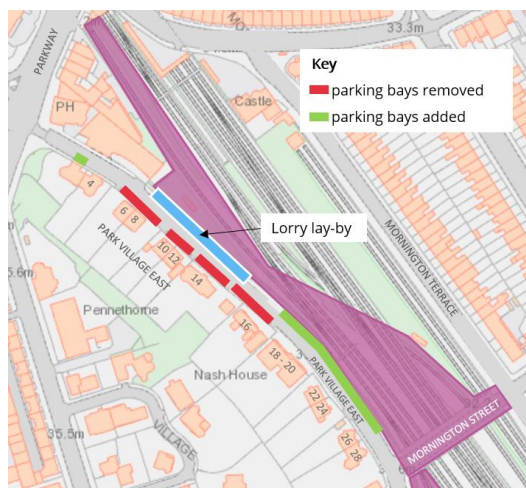

We need to remove the parking bays in front of 6 to 16 Park Village East to make way for traffic to pass the lorry lay-by.

On 14 March we will install 16 new parking bays at the northern end of Park Village East, to replace the 14 parking bays we need to remove for the lay-by (see map below).

A small team of operatives will remove the existing road markings, before marking out the new parking bays and installing sign posts. These parking bays will be available for CG-A permit holders.

Unfortunately, we will need to temporarily suspend the parking bays in front of 2 to 28 Park Village East, from 14 to 15 March, to make way for these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

March to May

Replacement parking install - 14 March

Lorry lay-by install - from 21 March to early May

Lorry lay-by operational – from early May

Working hours: Monday to Friday 8am to 6pm & Saturday 8am to 1pm

What to expect

Temporary parking bay suspensions for works to replace bays

Road closure at northern end of Park Village East for lay-by install for about 8 weeks

Noisy works to remove a section of the planter

Concrete slab and hoarding install

Lay-by operational from early May

What we will do

Road will be re-open outside working hours and during weekends

Maintain access for businesses and residents

Use acoustic blankets where possible to limit noise

Contact our HS2 Helpdesk team on **08081 434 434**

Update: lorry lay-by install on Park Village East north

www.hs2.org.uk

Lorry lay-by install on Park Village East – March to May

From 21 March to early May, we will install a 70m lorry lay-by within the footway and carriageway opposite 6 to 16 Park Village East.

For safety, we will close the road at the northern end of Park Village East while we install the lay-by.

Vehicles will not be able to access Park Village East via Parkway junction while the road is closed and will instead be diverted via Albany Street, Robert Street and Stanhope Street or via Arlington Road, Delancey Street, Albert Street and Mornington Street.

We will maintain access for businesses and residents to the northern end of Park Village East via Mornington Street bridge and Park Village East south. A traffic marshal will be onsite during working hours to assist resident vehicles passing the worksite. Sometimes we may block the road for short periods of time to receive deliveries. We apologise for any inconvenience this may cause.

We will close the road during working hours, Monday to Friday 8am to 6pm, and open the road during evenings, weekends, and bank holidays to reduce the impact on residents. Pedestrian access will be maintained at all times.

We will pour concrete slabs to form the base of the lorry lay-by, before installing 2.4m hoarding and gates. We will also remove the cleared section of the planter, using a saw to cut it into pieces before lifting it out with an excavator. Works to remove the planter will be noisy and we will use acoustic blankets to limit noise wherever possible. Once we have installed the hoarding, we will fit out the lay-by, installing security cabins, lighting, pedestrian gates, and a staircase access to site.

We expect these works to take about eight weeks.

SCS Design and Construction Updates

This month we will be hosting both online and in-person events to provide an overview of what we are building in the Euston Approaches, and the works we have planned over the next six months. Members of our team will be available at each of the events to answer your questions and talk about the works. Visit HS2.org.uk/events to register or find out more.

The in-person event will be held at the Surma Community Centre on Robert Street on 31 March. Visit any time between 4pm and 7pm to learn more about what we are building and speak to members of our team. All ages welcome.

Weekly pop-ups

We currently host online pop-up sessions every Wednesday from 11am to 1pm to meet local residents, answer questions and talk about the works. You can register for these sessions at HS2.org.uk/events.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
