

Notice of temporary closure of Rookery Lane

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be carrying out drainage surveys and utility surveys along Rookery Lane. To complete these surveys a team of engineers will visit the location and record what is present in the area and also carry out trial trenching, which will involve digging into the ground to establish what is underneath the surface. This will provide us with information on the location of drainage and underground utilities, which we need to assess as we develop our construction plans. For the work to be completed in a safe environment, we will close Rookery Lane.

When these works will take place

These works will take place between 2 August and 3 August from 9.30 am to 3.30 pm. We will close Rookery Lane to complete these works (see map on page 2). We will use School Lane as an access to Rookery Lane, for an excavator vehicle and a small number of 4x4 vehicles, to install the traffic management and complete the works.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus.

The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority.

Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These surveys will take place between 2 August and 3 August.

Our working hours will be 9.30 am to 3.30 pm (Mon-Fri).

Our workforce may be on site one hour before and after to set up and take down our work equipment.

What to expect

Rookery Lane will be closed while we complete these works.

We will install signage on the roadside.

Some low level noise will be generated from the work we are completing.

What we will do

Inform you in advance of any changes to the date(s) shown.

Keep all sites safe and secure.

Ask you to register with hs2instaffordshire.co.uk to receive updates.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
