

Notice of topographic surveys – Wolseley Drive, Bromford Lane and Bromford Road

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Topographic surveys

We will be carrying out overnight topographic surveys in locations along Wolseley Drive and Bromford Lane on Thursday 5 August and Friday 6 August. Dates are subject to the progress of the surveys programme.

To complete the surveys a team of engineers will visit the locations and record what is present in the area using a digital measure or camera. This will include recording the location and sizes of features such as hedges, grid covers, kerbs, road layout and road markings.

These surveys will help us to finalise the design of the new railway and where possible allow us to reinstate features after construction.

Overnight lane and road closures

To be able to carry out these inspections safely and effectively, we will need to put in place an overnight road closure of Wolseley Drive along with lane closures with temporary traffic lights on sections of Bromford Lane and Bromford Road on 5 August.

We will also need to put in place an overnight lane closure on further sections of Bromford Lane on 6 August.

The closures will be operational from 9.00pm to 5.00am. Access to properties and businesses will be maintained at all times.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

HS2 during the COVID-19 pandemic

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
