

## Notice of utility work and footpath closure, Turweston

July 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance.

Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at [www.hs2inbucksandbox.co.uk](http://www.hs2inbucksandbox.co.uk)

### What are we doing?

WPD are continuing with the removal of the old overhead line and towers in the Turweston area. During the week commencing Monday 26 July, we need to temporarily close a section of footpath TUW/7/1, from the edge of Turweston village, heading towards Whitfield. This short closure will enable us to remove one of the redundant towers safely. We will display "Footpath Closed" signs at the edge of the closure. These signs will advise that the closure period is for five days, however we anticipate completing this work within a single, one day closure. Once the tower has been removed, we will take the signs down and reopen the footpath. We will access the towers using off-road construction routes, so as not to impact the village roads.

### How will this affect me?

To carry out this work safely, we will need to divert members of the public onto public rights of way to the south of Turweston village, using TUW/4/3 and TUW/6/4 and BID/8/3, before joining back onto TUW/7/1 closer to Whitfield village.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
