

Notice of temporary road closure, Mixbury

August 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

As part of our continued preparatory works for our internal haul and access roads we will close Featherbed Lane, also known as Fulwell Lane, for approximately 2 weeks.

In order to avoid using local roads, during the main construction works, we will be using the internal haul and access roads for our construction traffic. To build the road, we will create a strengthened surface using concrete to ensure that we protect the road and any utilities underneath it for the duration of our works. This road closure is to complete a new permanent haul and access road crossing point, replacing the temporary access point constructed in June 2021.

As the preparatory works will require large plant and machinery, we are required to fully close these sections of road, 24 hours per day, until they are complete. This is for the safety of road users and our staff.

When will these works take place?

Featherbed Lane, also known as Fulwell Lane, will be fully closed, 24 hours a day, from Tuesday 14 September to Tuesday 28 September, with a diversion in place. We will work to open the roads to reduce disruption as soon as possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
