

Notice of traffic management Long Itchington Road, Offchurch

August 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

As part of our collaborative works with Laing Murphy (LM), Balfour Beatty Vinci (BBV) will be creating a heavy plant crossing on Long Itchington Road, Offchurch. This crossing will allow us to safely move our construction plant across the road as we undertake various earthworks in the area.

When these works will take place

In order for us to carry out the work, we will be closing Long Itchington Road from 26 August to 15 October 2021 on a 24-hour basis, 7 days a week. Please note that marshals will be in place during working hours to walk cyclists through the closure.

Access will be maintained to all properties during these works.

Work being carried out by WPD and LM

Whilst Long Itchington Road is closed for BBV works, Western Power Distribution (WPD) will also be at work on Snowford Hill to carry out utility works on behalf of HS2 Ltd. Snowford Hill will be closed between 16 August until 4 September. (Please see map overleaf)

LM will also be closing a section of Long Itchington Road (National Cycle Route 41) in late September/early October to carry out essential utility works as part of the Fosse Way highway scheme. A notification for these works will be distributed in due course.

For up-to-date traffic information please check **one.network** to help plan your journeys and keep an eye out for signage on the road to help navigate the roadworks in the area.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Location of the works

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue, as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
