# Notice of diversion of Celandine Way

August 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

You can sign up for regular updates in your local area at [www.hs2inhillington.co.uk](http://www.hs2inhillington.co.uk).

## Upcoming works on diversion

Our works have progressed to a stage where we need to close and divert the Celandine Way. This temporary change will divert along the recently updated U43 footpath and utilise the new crossing point over Breakspear Road South.

A new footpath is being created on the western side of Breakspear Road South and then the diverted route will return to the eastern side of the road using a new light-controlled crossing underneath the Chiltern Line Bridge.

A temporary footpath and bridge will be created to allow pedestrians to re-join the Celandine Way to the south of the Chiltern Line (Please see the map overleaf).

## Timetable of activity

w/c 13 Sept 2021	Installation of foundations for the temporary bridge and placement of bridge crane, following widening of road junction
w/c 8 Oct 2021	Temporary footbridge lifted into place
w/c 15 Oct 2021	<b>Full Closure of the section of the Celandine Way between U47 and U43 for one week to complete works to the eastern side of Bridge</b>
w/c 25 Oct 2021	Diversion operational

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Please see timetable for duration of works.

Hours of work are from 8am to 6pm Monday to Friday and 8am to 1pm on a Saturday if required

## What to expect

The new footpath and bridge will require small plant vehicles and crane to lift the bridge into place

There is one week of a complete diversion. This is to allow operatives to secure the eastern part of the bridge and the working area required will encroach on the footpath

## What we will do

Diversion route will be fully sign posted

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
