

Expansion of works area at Ruislip Golf Course

August 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

You can sign up for regular updates in your local area at www.hs2inhillington.co.uk.

What we are doing

Our works have now progressed to the point where we need to occupy additional land to facilitate works on the railway. This area is shown on the map below and is to the north of the current hoarding line. This area will allow us to fully build the internal haul road and Stockpile essential materials for these works

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
