Notice of STW Construction Works

August 2021 www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing?

Severn Trent are carrying out utility diversion work in Duddeston Mill Road. A road closure will be in place on Duddeston Mill Road (highlighted in red on the below map) from 31st August 2021 until 27th September 2021, this will be followed by a lane closure with traffic lights from 27th September 2021 until 29th October 2021.

How will this impact you?

Whilst Severn Trent will be working in the area of Duddeston Mill Road there will be a clearly signed diversion route (highlighted in green on the below map) in place with advanced warning and business open as usual signs. An alternate access to Network Park will be via Cranby Street, (highlighted in purple on the below map).

All activity will take place in a securely fenced-off area and you may see an increase in construction traffic during the works.

Severn Trent has a responsibility for delivering water and sewerage services to homes and businesses across the region. We do not anticipate any disruption to services during this work. We will ensure that the impact of any work is kept to a minimum.

HS2 during the coronavirus pandemic

We are continually reviewing the work on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration

- Work will take place commencing on 31st August running through until 29th October.
- Our core working hours will be 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- There will be an increase in construction traffic as Severn Trent's contractors, J Murphy and Sons set up site, mobilise equipment and materials and undertake the sewer diversion. Every endeavour will be made to keep disruption to a minimum.

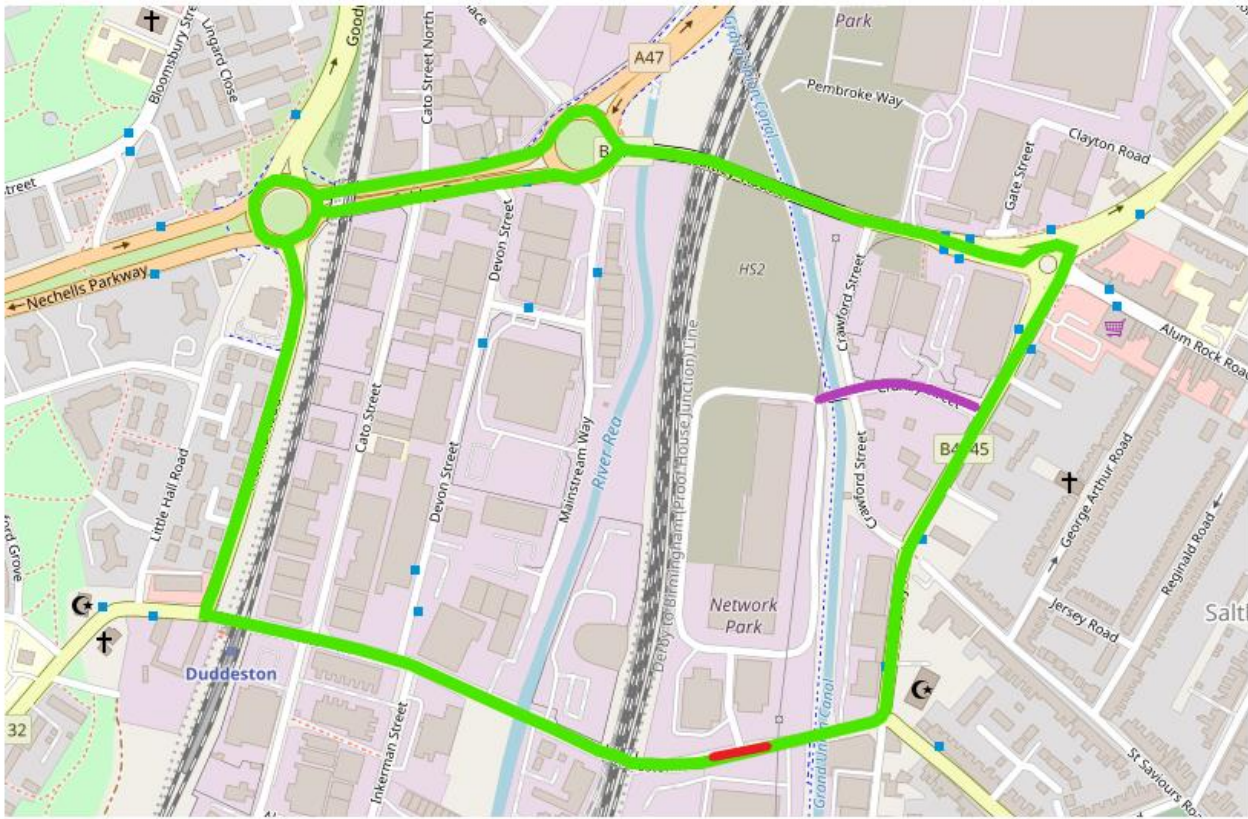

What we will do

- If you are directly affected by the work, Severn Trent will speak with you before it begins to ensure access is not impacted. At no time will your water or sewer services be interrupted. We will complete the work as quickly as possible to avoid disruption and provide you access throughout.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
