

# Update: works on Park Village East and Harrington Street

October 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at [HS2inCamden.co.uk](http://HS2inCamden.co.uk)

## Update: road closure on Park Village East

We recently informed you we will install three new utility connections between our worksite and the sewers beneath Park Village East and Harrington Street.

### Sewer connection #1 – Park Village East south (Sep to Oct)

We are currently installing a sewer connection within the footway and carriageway on the corner of Park Village East, Granby Terrace and Stanhope Street.

We have revised our construction programme and need to extend the current road closure.

We are carrying out the work in two phases:

- Phase 1: 24 September to 24 October - road closure on the corner of Park Village East and Stanhope Street with traffic diverted via Augustus Street and Varndell Street
- Phase 2: 25 to 30 October - lane and footway closure and parking bay suspensions on Park Village East and Stanhope Street

### Sewer connection #2 – Park Village East north (Oct to Dec)

Once we have completed the southern sewer connection, we will install a second sewer connection at the northern end of Park Village East.

We will close a lane on Parkway and close the northern end of Park Village East from 25 October to early December while we install pipework within the footway and carriageway. We will maintain access for local residents and businesses.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

## Sewer connection #3 – Harrington Street (Oct to Nov)

We planned to begin works on Harrington Street on 27 September, but due to delays we will now carry out these works from 7 October to early November. We will close the northern end of Harrington Street between our worksite and Mackworth Street for safe working.

We apologise for any disruption these works may cause and thank you for your ongoing patience.

For more information please see our previous notice 'Update: road closures for utility works on Park Village East and Harrington Street' (September 2021).

## Update: site access installed on Park Village East north

We recently informed you, we will install a staircase from street to track-level at the northern end of Park Village East to provide a safe and direct access for workers. The staircase will be positioned within the footway and planter on Park Village East, and extend over the brick parapet wall down to the track-level worksite.

We will also install a small 24/7 security cabin and hoarding at street-level around the staircase, for safety and security. The staircase and security cabin will eventually become part of the lorry lay-by, which we currently plan to install in early 2022. We will continue to keep you updated about the lorry lay-by as plans progress.

We were due to install the site access in late September but will now carry out these works from 25 October until early November.

We will require a lane and footway closure and parking bay suspensions at the northern end of Park Village East to install the staircase and hoarding. We will also need to clear some of the shrubs from the planter, to make way for the staircase. We will coordinate these works with the previously mentioned utility works on Park Village East, to minimise the impact on residents and traffic as much as possible.

For more information please see our previous notice '[Works in Camden Cutting](#)' (September 2021).

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
