# Camden Cutting (SCS)

# Mornington Street bridge reopened

We reopened Mornington Street bridge to vehicles on 8 January 2024. We have put a 3-tonne weight limit in place which we are managing with width restriction barriers at both end of the bridge.

For safety reasons, Network Rail and SCS will continue to monitor the bridge whilst work continues beneath it.

Please note the bridge will be closed throughout the duration of tunnelling works and we will update you in advance. These are expected to take 5 years to complete.

## Traffic impact

- Mornington Street bridge reopened to vehicle traffic with 3-ton weight limit
- Access maintained for cyclists and pedestrians

# Road closure on Varndell Street – 17 November to 6 February 2026

From mid-November 2025 to 6 February 2026, the southbound lane on Hampstead Road, and Varndell Street will remain closed.

Cardington Street will also remain closed, and pedestrians will be diverted through the carriageway and worksite.

We will maintain two-way traffic on Hampstead Road using temporary traffic lights.

**Duration of works: 17 November to 6 February 2026**

## Traffic impacts:

- Road closure on Varndell Street (vehicles diverted via Robert Street)
- Northbound and southbound lane closures
- Cardington Street closed
- Footpath closure and diversion on Hampstead Road

# Cable pulling works – December to February 2026

## Working area in Ampthill Estate near Oxenholme and Gillfoot

From **1 to 19 December**, we will require a small working area in Ampthill Estate, outside Oxenholme and Gillfoot. We will fence off the area and divert pedestrians around our works.

## Northbound lane closure on Hampstead Road

From **5 January to 11 February 2026**, we will close one northbound lane on Hampstead Road while we pull cables over Granby Terrace bridge.

## Current phases: 1 to 19 December 2025

### 5 January to 11 February 2026

#### Traffic and pedestrian impacts:

- Small working area in Ampthill Estate
- Northbound lane closure on Hampstead Road

# Drummond Street Gas Replacement Works – 18 August to December 2025

We will be carrying out gas main replacement on Drummond Street from Monday 18 August 2025. There will be two sites on Drummond Street – one at the junction with North Gower Street and one within our hoarding at the end of the road. The technique used is an insertion which negates the need for a full excavation of the road.

## Traffic impact:

- Road closed to vehicles until December 2025

# Eversholt Street surveys and trial holes – 23 September 2025 to 31 January 2026

We will be conducting utility surveys to inform planned future works in the area. To facilitate these works, bus stops A and B on Eversholt Street will be suspended intermittently.

Following the completion of these surveys we will undertake relocation and construction of major utilities works.

## Traffic impact:

- Localised lane and road closures
- 2-way set of temporary traffic lights
- Parking bays and loading bays suspensions
- Footway restrictions
- Pedestrian access will be maintained at all times
