

Update of works at Canterbury Works site

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Ongoing piling schedule

We notified you in June 2021 about our piling works at the Canterbury Works site starting on 21 June which we expected to last three weeks. The start date of these works was delayed meaning that the end date has also changed.

We have completed the sheet piling phase along our site border with St Mary's Catholic Primary School, with the final phase of the piling works along the site boundary with the Network Rail tracks taking place from 2 to 9 August 2021.

We will be working between 8am and 6pm Monday to Friday and 9am and 1pm on Saturdays if required. The location of these works can be found on page 2.

Our piling method

We used a press piling unit to push in the piles along the boundary with the school during the first phase of piling. To protect the nearby Network Rail tracks and trains, our piling method will change for the final phase of piling works between 2 and 9 August to a vibration hammer rig.

During these piling works you may experience some additional noise and vibration. We will be carrying out vibration and noise monitoring to ensure that any disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Piling Works

2 August to 9 August 2021

Entrance works

4 to 11 August 2021

Start of ventilation shaft excavation and collar ring

4 August to 30 September
2021

8am to 6pm, Monday to
Friday, and 9am to 1pm
Saturdays if required (9am
to 5pm Entrance works)

We may be on site for an
hour before the start
and/or end of the shift

What to expect

Dampening down of
activities that may cause
dust production

Parking bay suspensions

You may experience some
additional noise and
vibration during aspects
of the works

What we will do

Monitor our working
methods to ensure
disruption is kept to a
minimum

Entrance repair works

We notified you in late June 2021 about works to repair the damaged footpath, ramp and site entrance on Canterbury Road. The footpath works have been completed. The entrance repairs have been rescheduled to take place between 4 and 11 August 2021. These works will take place between the hours of 8am to 6pm weekdays and 9am to 5pm on Saturday.

We will use noise barriers and water sprays to minimise noise and dust during these works.

To ensure the safety of the community and staff during these works, we will be using temporary traffic management measures. A three-way traffic light system will be in place to help traffic flow around the work area. Some parking bays will be suspended temporarily on Canterbury Road and Chichester Road.

Ventilation shaft excavation and collar rig

From 4 August 2021, we will start excavation works of the ventilation shaft and the installation of the concrete collar. These works will create a stable foundation prior to deep excavation. We will create a series of working platforms before commencing with the excavation works. The image below shows a cross section of the ventilation shaft and how it will be constructed.

Work will take place during the hours of 8am to 6pm Mondays to Fridays and 9am to 1pm on Saturdays of required. During these works you will notice large excavators, cranes and vehicles removing the excavated material from site. Future stages of construction for the ventilation shaft may require extended hours. We will inform you of these as the work progresses.

We will continue to review our working methods during the works mentioned to minimise disruption to our neighbours. The dates mentioned in this notification may change - we will provide updates about our works at HS2inKilburn-northolt.co.uk

Where to find more information about our current and upcoming works

Our local engagement team will continue to keep you updated about our works. You can also find the latest updates about our works via HS2's interactive works in your area map and our 3-month look ahead. You can view these at www.hs2.org.uk/in-your-area/map.

If you have any questions or concerns about our works, please contact our local engagement team via the HS2 Helpdesk team all day, every day of the year via:

- Freephone: **08081 434 434**
- Minicom: **08081 456 472**
- Email: hs2enquiries@hs2.org.uk

You can speak with our community engagement team at our monthly virtual one to ones. To register for the next drop-in on 19 August, please visit www.hs2.org.uk/events/

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
