Notice of demolition works

August 2021 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Demolition of Network Rail Building

LM will set up a secure work compound within the former Network Rail site between Duddeston Mill Road and the River Rea. We will soon start erecting scaffolding around the building before starting demolition of the Network Rail building within our work site to prepare for construction of HS2. To ensure that these works are carried out as swiftly as possible it may require weekend working on occasions.

Our teams may be on site up to one hour before and one hour after the works to set up and secure the site at the end of each day.

Health and safety is at the heart of everything we do

We've got a safe plan in place to manage demolition and materials. When we take down a building, we remove materials and strip the building back to its base structure. Once the frame is exposed, we make final checks to confirm our demolition plan is correct, then complete the clearance. Demolition waste is sorted and recycled to meet our target of recycling more than 90 per cent of the materials.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our 'HS2 in Birmingham' website

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our dedicated website for the Birmingham area is available at: hs2inBirmingham.co.uk

At this website, you can also sign up to receive regular news alerts of work happening in your area and see the list of upcoming events offering you the opportunity to meet with HS2.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
