

Update on closure of Tilehouse Lane, West Hyde

August 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high-speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. All sites will remain under constant review.

Following the lifting of restrictions, we will once again be having face-to-face engagement events and meetings which will be publicized on local community websites. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk

Continued closure of Tilehouse Lane

Since 24 January 2021 Tilehouse Lane has been closed to allow us to build a new permanent diversion route over the HS2 railway. This includes an upgraded Tilehouse Lane and overbridge and will create a new junction and access for the Denham Park Farm quarry. It was intended that once complete the new Tilehouse Lane would re-open for public use and would include a temporary crossing for Align construction traffic to move excavated chalk from the Chiltern Tunnels to the old Pynesfield Quarry area.

Based on feedback we have received from residents it appears that an extended closure of Tilehouse Lane would be well received. This would also provide a benefit to Align by removing the need to manage a construction crossing on a public highway. Access will be maintained at all times to Tilehouse Lane businesses, residents and the emergency services from the southern end of Tilehouse Lane at the junction with Denham Green Lane. Signage will remain installed to advise visitors and customers that access to businesses and properties is open, along with diversion signs at the main points of access.

Notification

What other works are we doing?

We will also be undertaking minor vegetation clearance and carrying out essential drainage maintenance works along the A412 to ensure that the drains are able to collect and carry water to safe areas during heavy rainfall helping to minimise flood risk on the A412. These works will take place 20 September 2021 to 01 October 2021. 2-way lights (please refer to map below) will be in operation between 09.30 – 16.00 whilst the works are being carried out.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk
