

Notice of ground investigations in Alperton Lane area

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2.org.uk.

Ground investigation works from 13 September

We will be carrying out ground investigation works in the Alperton Lane area from 13 September until 17 October. The location of these works is shown on the map on the following page.

These works will take place between 8am to 6pm on Mondays to Fridays. The ground investigation works will involve drilling two holes into the ground and installation of monitoring equipment below ground on the main sewage pipes. We are installing the monitoring equipment so we can monitor the condition of the sewage pipes while we build the HS2 tunnels.

We will need to remove some low level vegetation such as shrubs and bushes within the Network Rail land. These works will take place before the ground investigation works.

We will use large drilling machines during these works and will put mitigations in place such as noise blankets and water dampening down of dust if required. These measures will help to keep any disruption to a minimum.

Dates mentioned in this notification may change due to unforeseen circumstances. We will continue to provide updates about our works at HS2inkilburn-northolt.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
