

Notice of utility works to the west of Euston Station

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) guidance on COVID-19. The Government's strategy makes it clear construction can continue as long as it complies with this guidance. All sites remain under constant review. You can sign up for regular updates in your local area at: **HS2inCamden.co.uk**

Installation and jointing of electricity cables

UK Power Networks run the electricity network delivering power to this area. They are due to start work soon on a project to upgrade equipment to ensure reliable power supplies for local homes and businesses.

The work, in partnership with Modus Utilities, is needed to divert electricity cables for the HS2 Project. In is not anticipated that this work will have any impact on local electricity supply.

What does this mean?

Work is due to start in mid Sept 2021, and we expect to complete these works by the end of Jan 2022.

During this period, works will be carried out within the carriageway/footway of Drummond Street, North Gower Street, Gower Place & Gordon Street.

The works will consist of excavation of cable joint bays as the works progress along the route. Each section will be fenced off and acoustic barriers, where applicable, will be installed to limit noise.

We will provide clear signage for pedestrians around the work sites. At certain points parking bay and bus stop suspensions will be required and we will provide updates as we continue this work.

Notification

Working hours:

- 8am to 6pm weekdays excluding bank holidays (with an hour either side of these times to set up and close down the site)
- 8am to 1pm Saturday
- Some night-time works may be required.

What to expect:

- Partial road closures
- Alterations to public walkways;
- suspension of parking bays;
- drilling, excavations in work sites.

What we will do:

- Create temporary work sites where our works are taking place, and;
- We may install temporary signage on the roadside.

Installation and Jointing of Electricity Cables

During this period, works will be carried out within the carriageway/footway of Drummond Street, North Gower Street, Gower Place & Gordon Street as indicated in the diagram below. **These works will begin from mid-September and continue until late October 2021.**

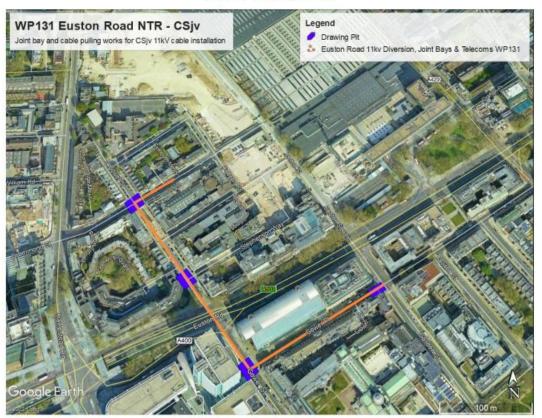

Figure 1: Euston Road NTR

Route is from Drummond Street to Gower Street, to Place and terminates in Gordon Street.

What to expect

We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits. These works will not affect electricity supply in these areas. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, UK Power Networks will write to you again.

Works will include:

- The works will consist of excavation of cable joint bays as the works progress along the route.
- Each section will be fenced off and acoustic barriers, where applicable, will be installed to limit noise.
- We will work to minimise disruption wherever possible.

Working hours

- 8am to 5pm weekdays (excluding bank holidays);
- 8am to 1pm Saturdays; and
- we will start-up and close-down activities up to one hour before and up to one hour after normal working hours above.

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but please be assured that every effort is made to minimise any unnecessary noise.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residentscharter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltdresidents-commissioner You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
