

Notice of works at Euston Station

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) guidance on COVID-19. The Government's strategy makes it clear construction can continue as long as it complies with this guidance. All sites remain under constant review. You can sign up for regular updates in your local area at: HS2inCamden.co.uk

Demolition works to One Euston Square and Grant Thornton House Buildings, ongoing until July 2022

We wrote to you in April 2021 regarding ongoing works at the above location (HS2-EW-MD-Ph1-Eu-St-S3-Site-11-20/04/2021). To facilitate these works we need to close the external route from the Euston station piazza to the West Colonnade and put an alternative pedestrian route in place.

What does this mean?

Ahead of a permanent closure, planned for **late October 2021**, there will be a 2-week trial closure from **20th September 2021**. This will be in the same location (shown on the next page) and will allow us and Network Rail to monitor pedestrian movement through the station and the surrounding area.

During the short-term trial closure, we will install temporary Heras fencing. For the permanent closure (from late October) we will extend the existing site hoardings. There will be pedestrian diversions that maintain access in both directions.

To help people navigate through the area, we will install directional signage on the Heras fencing and hoardings, making it clear to members of the public the routes they can take. In addition to the signage, we will be placing marshals on either side of the closure to help direct people and answer their questions.

Notification

Working hours:

- 8am to 6pm weekdays excluding bank holidays (with an hour either side of these times to set up and close down the site)
- 8am to 1pm Saturday
- Some night-time works may be required.

What to expect:

- Alterations to public walkways

What we will do:

- Provide clear directional signage to help people navigate
- Have marshals stood at the location of the closure to provide directions and support as needed
- Carry out a pilot closure to better understand the impact of the changes and identify suitable mitigation measures for the permanent closure

What to expect

In addition to the changes to access highlighted on the previous page, we continue to carry out the demolition of the tower basements.

We recognise that this work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but please be assured that we are making every effort to minimise any unnecessary noise.

Works will include:

- 2-week pilot closure of the external route from the Euston Station piazza to the West Colonnade – September 2021;
 - installation of temporary Heras fencing;
- permanent closure of the external route from the Euston Station piazza to the West Colonnade – planned October 2021;
 - alteration of current hoarding;
- ongoing demolition of basements;
- concrete breaking (this work is expected to be noisy);
- delivery of materials to and from site; and
- use of plant, including excavators, generators, concrete wagons and mobile crane.

Working hours

- 8am to 6pm weekdays (excluding bank holidays);
- 8am to 1pm Saturdays;
- we will start-up and close-down activities up to one hour before and up to one hour after normal working hours above; and
- some limited night-time work (9pm to 5am) may be required for emergency work and hoarding alterations and to reduce the impact on the public and commuters at Euston Station.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
