

Notice of temporary footpath closures and diversions near Lower Boddington

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

This summer we began excavating and moving earth with large items of construction plant, soon these works will cross two public rights of way near Lower Boddington. We will temporarily be closing and diverting small sections of footpaths AC1 and AC2 (Also known as The Millennium Way).

We will maintain diversion routes for as long as possible, however in early 2022, these diversions will be affected by preparatory work for the Claydon Road overbridge. We will provide more information on this prior to the work commencing.

The Claydon Road overbridge, once fully completed, will form a permanent route for these footpaths to cross the HS2 line.

When will these works take place?

Footpath AC1 and AC2 (The Millennium Way) will be fully closed, 24 hours a day, from mid October 2021 for approximately 3 years. A short nearby diversion will be in place. We will work to reopen the footpaths to reduce disruption as soon as possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
