Notification of upcoming road closure Coventry Road, Cubbington.

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

Due to circumstances beyond our control, we have revised our dates for works to be carried out on Coventry Road, Cubbington. The works will now commence from 18 October instead of the original start date of 4 October 2021. We apologise for any inconvenience caused.

The work will we be doing

We will be creating a controlled crossing on Coventry Road, Cubbington. This crossing will allow us to safely move our construction plant across the road as we undertake various earthworks in the area.

On completion of the plant crossings, the lights will be set to green and will only turn to red when site vehicles require to cross the road. To further reduce disruption, these lights will be manned during busier periods of the day. This will help to aid the flow of traffic and reduce disruption. Please note that these works are subject to weather conditions.

When these works will take place

We will be carrying out these works in two stages. Stage one will be from **18 October to 28 October 2021.** We will reopen the road after the 28 October and then close it again from **10 November to 1 December 2021** to carry out stage two of the works.

The road will be closed 24-hours, seven days a week including weekends. Please note that access will be maintained to all properties and businesses on Coventry Road while the works take place.

The plant crossing will become operational from 6 December 2021 and will operate during permitted working hours.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

For up-to-date traffic information and to find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

Also please check **one.network** to help plan your journeys and keep an eye out for signage on the road to help navigate the roadworks in the area.

What else is happening in your area?

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434** Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: https://www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltdresidents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-byhs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
