

Site enabling works in front of Cartmel

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

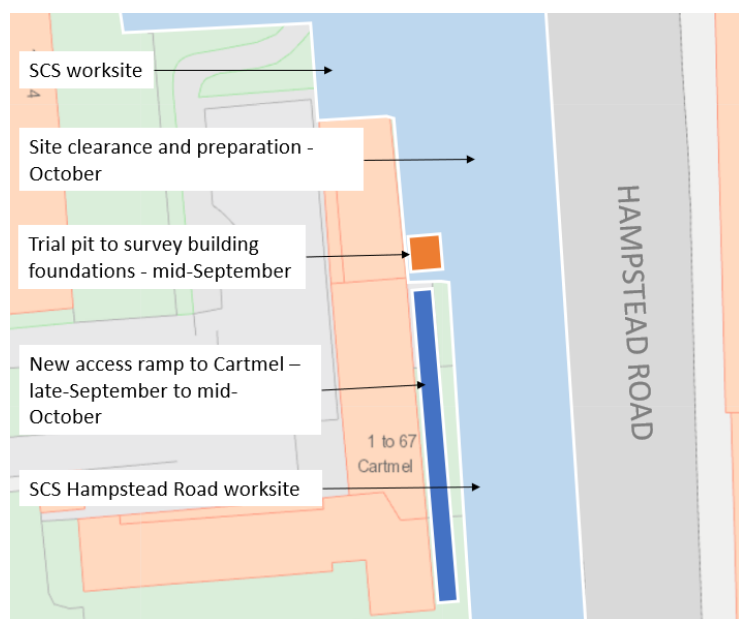

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at HS2inCamden.co.uk.

Trial hole in front of Cartmel – late-September

From 20 to 24 September we will dig a trial pit within our worksite in front of Cartmel to allow us to further inspect the building's foundations. This will help us plan the detail of our piling and excavation works close to Cartmel.

For the trial pit, we will use an excavator to dig a large hole to expose the building foundations. A team will then enter the pit to survey and take samples of the concrete foundation. Once we have completed the surveys, we will fill in the hole.

These surveys may be noisy. We will try to limit noisy works to the morning and use acoustic blankets to limit noise and dust where possible. We apologise for the disruption these works may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

Trial pit in front of Cartmel: 20 to 24 September

New access ramp to Cartmel: late-September

Site clearance in front of Cartmel: from October

Trial holes on Hampstead Road: 20 to 24 September

What to expect

Deep trial pit within our worksite in front of Cartmel

A new access ramp installed at the front entrance of Cartmel

Works to clear and survey the section of our worksite in front of Cartmel

What we will do

Reduce noise and dust where possible

Maintain access to Cartmel at all times for residents, visitors & deliveries

Provide updates at HS2inCamden.co.uk

Contact our HS2 Helpdesk team on **08081 434 434**

Site enabling works in front of Cartmel

Notification

www.hs2.org.uk

New access ramp to Cartmel – late-September to October

From 27 September to 15 October, we will carry out works to the main entrance of the building to create a new step-free access for all residents and visitors.

We will install a new access ramp along the front of the building and extend the landing area in front of the main door. We will then remove a section of the brick wall beside the door to provide scooter access to the ground floor flat.

We will place fencing and noise screens around our working area to limit noise and dust as much as possible. A traffic marshal will be onsite to make sure visitors and delivery drivers are able to access the intercom at the front door during working hours.

We kindly request you use the back door during working hours, so we can finish the works quickly and return the main entrance as soon as possible. You will be able to use the front door during non-working hours.

Site clearance in front of Cartmel - October

Once we have installed the new access ramp, we will finish clearing the shrubs, fencing and paving from our worksite in front of Cartmel. We will also carry out surveys to identify structures and utilities beneath the ground.

This is to prepare our worksite for our next phase of works in this location.

Trial holes on Hampstead Road – 20 to 24 September

Starting in October, we will carry out works to the junctions on Hampstead Road to improve the safety of these crossings for cyclists and pedestrians. This is needed before we create the right-hand turn out of our Hampstead Road worksite.

Before we start these junction improvements, we will dig small trial holes to check for underground utilities and obstructions.

We will dig trial holes beneath the paving slabs within the footway and cycle lane on Hampstead Road, opposite Granby Terrace, from 20 to 24 September. We will carry out the trial holes one at a time to keep the footway and cycle lane open. This work will not be noisy, and we will use barriers around our works for safety.

SCS Euston Approaches Construction Updates (virtual events)

This month we will be hosting virtual Construction Updates, to provide an overview of our key construction activities planned for the Euston Approaches over the next six months. We will host two sessions:

- Tuesday 28 September – 5.30pm to 6.30pm
- Thursday 30 September – 12pm to 1pm

You can register for these sessions on [Eventbrite.co.uk](https://www.eventbrite.co.uk), just search 'HS2 & SCS in Euston Approaches'.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:

www.hs2.org.uk/how-to-complain
