

Update: works in front of Cartmel

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at HS2inCamden.co.uk

New access ramp install – October to mid-November

We are carrying out works to the front entrance of Cartmel to create a new step-free access for all residents and visitors.

We are currently installing the new access ramp. Once these works are complete, we will relocate the key boxes and remove the brick wall beside the door to provide scooter access to the ground floor flat.

We apologise for the delay caused due to changes in the ramp design and we expect the new access to be completed by 6 November.

Once we have installed the new access, we will finish clearing the shrubs, fencing and paving from our worksite in front of Cartmel. This is to prepare our worksite for our next phase of works in this location.

Removal of concrete steps – 8 to 17 November

We are carrying out works to divert the existing utility services beneath Hampstead Road worksite, to prevent clashes with our works.

We have been digging a cable trench within our worksite in front of Cartmel to move a section of utility cables. While digging this trench we found concrete steps buried beneath the ground. We need to remove this concrete before we can continue works in this area.

From 8 to 17 November, we will carry out works to cut, separate and remove the concrete steps from our working area using hand tools. We have revised our method to limit noise as much as possible. We will break away sections of the concrete and take these away from the building before breaking them down further. We will dampen the worksite and use acoustic blankets to limit noise and dust as much as possible.

We sincerely apologise for this disruption.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

New access ramp to Cartmel: ongoing until 6 November

Removal of concrete steps in front of Cartmel: 8 to 17 November

Trial hole in front of Cartmel: 17 November to early December

What to expect

Works to install new step-free access to the front entrance of Cartmel

Site clearance in front of Cartmel

Concrete breaking, drilling, and excavation, building surveys

What we will do

Dampen worksites and use acoustic blankets to reduce noise and dust where possible

Maintain access to Cartmel at all times for residents, visitors and deliveries

Provide updates at HS2inCamden.co.uk

Contact our HS2 Helpdesk team on **08081 434 434**

Update: works in front of Cartmel

Notification

www.hs2.org.uk

Trial hole in front of Cartmel – mid-November to December

We previously informed you we will dig a trial pit within our worksite in front of Cartmel to allow us to inspect the building's foundations. This will help us plan the detail of our piling and excavation works close to Cartmel.

We planned to carry out these works in September but will now carry them out from 17 November until early December. We expect these works to take about two weeks.

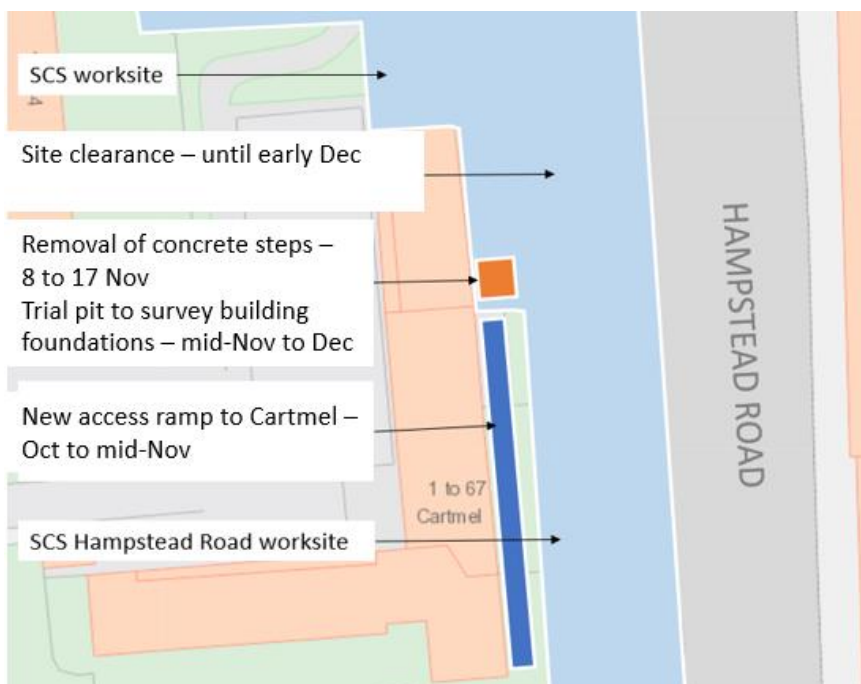

For the trial pit, we will use an excavator to dig a large hole to expose the building foundations. A team will then enter the pit to survey and take samples of the concrete foundation. Once we have completed the surveys, we will fill in the hole.

The works to dig the trial pit and carry out the surveys may be noisy. We will try to limit noisy works to the morning and use acoustic blankets to limit noise and dust where possible. We apologise for the disruption these works may cause.

For more information please refer to our previous notice 'Site enabling works in front of Cartmel' (September 2021).

Once again we apologise for the disruption and thank you for your ongoing patience as we continue our works outside Cartmel House.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
