Temporary road closure Dalehouse Lane, Kenilworth

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

We're carrying out vegetation clearance

During 2021, we have been working in your area to prepare the way for the future HS2 railway route and this work includes vegetation clearance.

There will be a temporary closure on Dalehouse Lane

To carry out roadside vegetation clearance safely, there will be temporary road closure on Dalehouse Lane from **Monday 20 September until Sunday 3 October 2021**. The closure will be in place between **9:00am and 4:00pm** each day with our teams on site one hour before and one hour after the works to set up and secure the site at the end of each day.

Access to properties and businesses will be maintained. Please see the map overleaf for more information.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
