

Notice of road closure, Preston Bissett Road, Chetwode Update

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

As part of our continued preparatory works for our internal haul and access roads we will need to fully close a section of Preston Bissett Road for approximately one week, with diversion in place.

During the main construction works, we will be using the internal haul and access roads for our construction traffic, to avoid using local roads as much as possible. To build the road we will create a strengthened surface using concrete to ensure that we protect the road and any utilities underneath it for the duration of our works. Once the crossing point is created, the roads will then be reopened, with gates in place to keep local traffic separated from construction traffic. All plant crossings, without exception, will be signal controlled. As the project progresses, it is also necessary to remove vegetation to enable future works to continue and to allow access to areas of the site.

As the preparatory works will require large plant and machinery and time for the concrete to set, we are required to fully close these sections of road, 24 hours a day, until they are complete. This is for the safety of road users and our staff.

When will these works take place?

A section of the Preston Bissett Road will be fully closed, 24 hours a day, from Wednesday 13 October to Monday 1 November, with a diversion in place. We will work to reopen the roads as soon as possible, to reduce disruption.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
