

Notice of excavation works at the West Ruislip site

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

You can sign up for regular updates in your local area at www.hs2inhillington.co.uk.

What we are doing.

We have reached a stage in our works program where we will start excavation to prepare the base of the railway tunnels as shown in the map overleaf.

We will be excavating the earth to prepare the area for the launch of the Tunnel Boring Machines and the creation of the portal area.

The earth excavated from this area will be stored temporarily at the golf course driving range. This stockpiled earth will be used to landscape the area around the tunnels and the tunnel entrances once the construction works have been completed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

From 20 September to the end of December 2021

Hours will be 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays

What to expect

Excavators, buckets cranes and lorries will be on site to move the earth from the excavation site to the driving range

During the shorter daylight hours lighting will be required for safe working

What we will do

We will ensure that the lighting will face away from residences and only work areas will be lit

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
