

Notice of works Upper Boddington

September 2021 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. Further to the Covid-19 restrictions being relaxed we are now beginning to plan for future face-to-face engagement events and meetings. Whilst we continue to move forward, we will still continue to communicate with communities via letters, online meetings and phone calls. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What are we doing?

We have a number of preparatory activities in the area taking place over the coming months ahead of the future construction of the railway. The enabling works required are detailed below;

Phase 1 –September until October 2021

- Establishment of a temporary small site welfare, laydown area, and car park establishment. This is being set up off Banbury Road to facilitate local Fusion works. The set up will begin from 20 September 2021 and be in operation in October 2021. The area will be also be used for the site storage of machinery and materials. The site will be secured with 24/7 security and be constructed from track matting with low level temporary lighting.
- The site will be accessed from the Banbury Road using an existing field entrance. The entrance will be marked with temporary road verge signage.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
