

# Temporary closure of Park Lane, off Cappers Lane

September 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

## The work we will be doing

To maintain a safe area for construction staff, there will be a temporary closure of Park Lane.

These works are required to create two new entrances to our compound.

The work undertaken will include preparation of the road edges and laying of new kerb stones.

Within our compound area, we will construct a haul road which will be used by our construction vehicles. Haul roads are temporary roads provided within a working area to allow for the movement of construction material, construction machinery and/or construction staff around the site. Haul roads are Balfour Beatty Vinci's preferred logistical transport link, as they reduce the number of vehicles interfering with the existing local road network and provide the greatest possible control over works activity.

## When we will do these works

From 8:00am on Monday 27 September 2021 until 6:00pm Friday October 8 2021, with an hour before, and an hour after to set and take down our equipment.

There will be a diversion in place - see the map.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
