

Notice of survey works on A413 – Chalfont St Giles

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We will be undertaking survey works on the A413 at Bottom House Farm Lane to inform the final design of the junction with the Lane and the A413.

Where and how are the works taking place?

They will be taking place each day from 9am to 4pm Monday 11 October to Friday 15 October on the A413 at the junction with Bottom House Farm Lane.

Lane closures of the A413 using temporary traffic lights will allow staff to conduct the surveys safely.

The lights will also manage the movement of HS2 vehicles on and off the temporary access road, as well as residents and businesses vehicles from Bottom House Farm Lane.

Why are these works taking place?

Once the construction of the vent shaft is complete and the mechanical and electrical equipment for its ongoing use have been installed, the temporary access road running parallel to Bottom House Farm Lane will be removed. Maintenance vehicles for the vent shaft will then use Bottom House Farm Lane for access.

The junction with Bottom House Farm Lane and the A413 needs to be designed and constructed to meet current highway standards which the current gradient of the lane onto the A413 does not meet.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Monday 11 October to
Friday 15 October 2021

What to expect

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
