Have all practicable means to negate need for works to tree been investigated? Please provide details	<p>To facilitate access to the cavern shaft at track the installation of a staircase from Park Village East at Street level, up and over the wall and down to the track is required. This means that the vegetation in this location will need to be removed to accommodate this.</p> <p>The HAKI is positioned in this location due to having the least impact on the permanent works being installed at track level, safety requirements and the least disruption to residents and traffic flows</p>				

Trees Affected and Scope of Works: Park Village East_TS1_T009, Park Village East_TS1_T01, as well as low level vegetation (mixed broadleaf).
