

Update: Notice of lane closure at Harvil Road

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

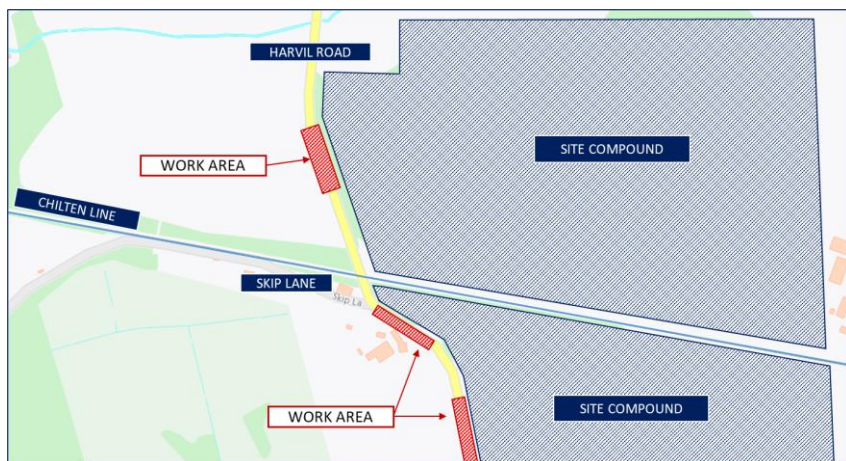

You can sign up for regular updates in your local area at www.hs2inhillington.co.uk.

What we are doing

We wrote to you in August to advise you that we would be carrying out utility connections until 30 September 2021. However, we will need additional time to complete these works which will be extended until the end of October 2021.

We will be carrying out utility surveys and utility connections along Harvil Road as part of the road realignment works. Temporary traffic management and lane closures will be required to ensure these works can be carried out safely.

We will work during off peak hours where possible to minimise disruption.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

From 1 to 31 October 2021 Monday to Friday 8am and 6pm and Saturday 8am to 6pm if required

Where possible we will work during off peak hours.
