

Update: Overnight surveys on Springfield Lane, West End Lane and Kilburn Place

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Additional utility surveys in your area

We recently wrote to you regarding drainage surveys on Springfield Lane, Kilburn Priory and Langtry Road from 25 to 28 October 2021.

Our previous notification mentioned that we would carry out further surveys in the area during November. The additional surveys are now confirmed and will take place on Springfield Lane from 29 October to 3 November. During these dates we will also carry out surveys on West End Lane at the junction with Kilburn Place.

We will investigate the condition of the sewer system using a camera and may need to flush the system if any blockages are found. Your utility services will not be affected during these works.

Overnight surveys on Springfield Lane and West End Lane

We are planning to carry out overnight drainage surveys during the following dates and time:

- 29 October overnight between 9pm and 6am
- 1 November overnight between 9pm and 6am
- 2 November overnight between 9pm and 6am
- 3 November overnight between 9pm and 6am

Temporary changes will be in place on Springfield Lane and West End Road during the surveys. More information is included on the next page.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Temporary road changes on Springfield Lane

To carry out these works safely, there will be overnight road and lane closures on Springfield Lane with a four-way traffic light system to allow the flow of traffic. The closures will only be in place during our overnight working hours. We will also need to suspend a number of parking bays along Springfield Lane. A signed vehicle diversion route will be in place during the closure. Pedestrian access will not be affected during these works and pedestrian access to local business will be maintained. Staff members will be on site to assist with residential vehicle access be required to and from Falcon House.
