

Notice of drainage surveys on Gloucester Avenue

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2.org.uk.

We have previously carried out drainage surveys in your area to help us understand the condition of the drainage and help us decide how best to protect them while we are building HS2.

Drainage surveys planned from 8 November

On 8 to 25 November, we will be carrying out further drainage surveys on Gloucester Avenue and the surrounding roads. Most of the surveys are planned to take place overnight from 9pm to 6am. On 22 and 23 November are planned to take place during daytime working hours from 8am to 6pm. We will use a camera to investigate the condition of the drainage system and may need to flush the drains using a high-pressure water jet. Your utility services will not be affected, and noise levels will be kept to a minimum. We will use acoustic barriers, where possible.

How this might affect you

Temporary footpath closures and parking bay suspensions will be in place on the following roads:

- St Marks Crescent
- King Henry's Road
- Regents Park Road
- Gloucester Avenue
- Princesses Road
- Edis Road

To minimise disruption, our surveying team are planning to carry out the drainage surveys in multiple phases. The location of these works is shown on the maps on the following pages.

Pedestrian and resident access will not be affected during these works. Dates mentioned in this notification may change. We will continue to provide updates about our works at HS2inyourarea.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434

Notification

Duration of works

Overnight from 8 to 25 November between 9pm and 6am, Monday to Friday on Gloucester Avenue and the surrounding roads

Daytime surveys on 22 and 23 November from 8am to 6pm

We may be on site for an hour before the start and/or end of the shift

What to expect

Temporary footpath and parking bay suspensions will be in place

A small group of surveyors will be visible on the footpath and the surrounding areas

Handheld equipment will be used but a water tanker will be present should we need to clear any form of blockage

What we will do

Where possible, measures such as acoustic barriers will be in place to reduce any disruption to residents

Location of surveys from 22 to 23 November

These surveys will be carried out during daytime hours, from 8am to 6pm. Surveys will be carried out via manholes on St Mark's Crescent and Gloucester Avenue. A survey will also be carried out via a manhole in the garden area of 33-35 Oval Road.

Update: drainage surveys in Sunny Mews rescheduled to November 2021

Our surveyors will be carrying out additional drainage surveys in the carpark of Sunny Mews. Due to weather conditions, we were not able to fully complete the surveys in September.

We will need to carry out further surveys in the carpark of Sunny Mews from 5 to 6 November between 8am and 6pm. We will access the drainage via a manhole located in the parking area of Sunny Mews and use a camera to investigate the condition of the drainage.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
