

Notice of utility works on Greenford Road

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2.org.uk.

Works planned on Greenford Road from 1 November

We will be carrying out ground investigation works on Greenford Road from 1 November to 12 November 2021. This will involve digging temporary trenches to confirm the location of utility services under the road surface. We will be working during our core hours which are 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays.

During the ground investigation works, temporary traffic management will be in place at all times. Pedestrian access will be restricted but a diversion route will be clearly signed.

To minimise disruption, the ground investigations will be carried out in phases. Please see the maps on the following page for more information about the traffic management phases.

Surveys planned overnight from 15 November

From 15 to 18 November 2021, we will be carrying out utility surveys on the junction with Greenford Road and Rockware Avenue. The surveys will be carried out overnight between 9pm and 6am the following morning to minimise disruption to the road network.

We will use scanning equipment to create a map of the utility services below the road. They will be marked using biodegradable spray paint. Once the survey of the site is complete, photos of the paint marks will be taken to record the location of the utilities.

Temporary lane closures will be in place overnight on Greenford Road and Rockware Avenue. Please see the maps on the following pages for more information about the traffic management phases. Pedestrian access will not be restricted.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
