Notice of drainage surveys in your local area

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2.org.uk.

We are carrying out drainage surveys in your area to help us understand the condition of the drainage and help us decide how best to protect them while we are building HS2.

Surveys planned on Hanger Lane roundabout

On 21 October for one night, we will be carrying out drainage surveys within the centre of the Hanger Lane roundabout. The surveys will be carried out overnight between 9pm and 6am the following morning

We will use a camera to investigate the condition of the drainage system and may need to flush the drains using a high-pressure water jet. Your utility services will not be affected during this time.

The date for these surveys may change. We will provide updates at www.hs2inyourarea.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
