

Notice of road closure, Marsh Lane, Aylesbury

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

As the project progresses, it is necessary to remove vegetation to enable future works to continue and to allow access to areas of the site.

In order to carry out essential surveys, we will be completing remaining vegetation clearance works near Marsh Lane.

We are required to close a section of the road near the level crossing for the duration of the works. This is for the safety of road users and our staff.

When will these works take place?

We will be working in the area from Thursday 4 November to Friday 5 November, from 9.30am to 3.00pm.

There will be a fully signed route diversion in place. We will work to open the roads to reduce disruption as soon as possible.

Works will take place between 8am and 6pm – Monday to Friday. Some additional weekend work may also take place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

What happens prior to removing vegetation?

Prior to any vegetation removal, an ecologist will complete a detailed survey of the area to be cleared. Any protected species found to be present will be recorded and the vegetation will be left undisturbed with the appropriate buffer zone established.

Vegetation clearance will only commence once further surveys and mitigation can be established to confirm that the protected species are no longer present.

Where will the works take place?

The map below, shows the section of Bishopstone Road that will be closed and local diversion. Access will be maintained for residents and emergency vehicles.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
