Notice of traffic management on Coventry Road and Leicester Lane

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

There will be temporary traffic management in two phases

Phase 1: There will be a road closure in place on Coventry Road near Cubbington between **Monday 4 October to Friday 8 October**.

Phase 2: There will be a road closure in place on Leicester Lane near Cubbington between **Monday 11 October and Monday 18 October**.

All traffic management will be in place between **9:30am and 3:30pm** each day (8.00am and 1.00pm on weekends), with our teams on site one hour before and one hour after the works to set up and secure the site at the end of each day.

This traffic management is to allow safe access along the roadside as part of HS2 works in the area, which include vegetation removal. Please note that all the works in this notification are subject to consent.

While the closure is operational, signed diversion routes will be in place and access to properties and businesses will be maintained. Please see the map overleaf for more information.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
