

## Adelaide Road/Eton Road, Camden NW3 3PX

### Fact Sheet

#### Project requirement

To provide a water supply for the new HS2 building and to decommission a sewer entry point.

#### Why is this needed?

HS2 is commissioning a new building adjacent to the railway lines. This building will require a water supply through a new supply pipe that is to be connected to the existing water mains at Adelaide Road, opposite Eton Road.

The sewer entry point at Adelaide Road, adjacent to the turning to the medical centre opposite Eton Road will be decommissioned. The underground gallery connected to this entry point will be blocked up with concrete.

#### Road closure and traffic management

Adelaide Road will be fully closed from (but not including) No.95 Adelaide Road up to the turning into Eton Road. The road will be closed for a maximum of three weeks **from Monday 25 October until Friday 12 November 2021**. Work is likely to be completed sooner and the road will be reopened as quickly as possible.

Barriers/Heras fencing will be in place across Adelaide Road for the duration of the road closure.

#### Access at Adelaide Road and Eton Road

Access at each end of Adelaide Road will be possible, up to the barriers. The road will be fully closed for a section between Eton Road turning (not included) and up to the Medical Centre/No.95 Adelaide Road. Limited access into and out of Eton Road will remain in place. Right turn into, and left turn out of Eton Road will be possible. Access to the Medical Centre will be unaffected. Access to No.95 Adelaide Road will be unaffected.

Footpaths will remain open for use.

#### Bus diversions

The buses are currently diverted. These works will not affect bus diversions.

#### Emergency services

Emergency services will be aware of the temporary road closure and will ensure they can access all properties if necessary. Thames Water's contractors Agility Alliance will be in contact with all emergency services.

#### Contractors and working hours

Thames Water's contractors Agility Alliance (Murphy Limited and McAllister Limited) will be carrying out the necessary work. Their working hours are 8am – 4pm Monday to Friday. No weekend work unless essential.

#### Contractor Identification

All our team members carry identification. Please ask to see this at any time.

#### Communications

If you have any queries, please contact Thames Water's Customer Centre on **0800 316 9800 at any time and quote Bulletin Board number 70034409**
