Notice of temporary daytime closure of B4115 Ashow Road

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

There will be a temporary daytime road closure

There will be a daytime road closure in place on the B4115 Ashow Road subject to consent. This is to allow safe access to our work sites to prepare for future construction works, which include roadside vegetation clearance.

The road closure will be in place from **Monday 18 October until Friday 22 October** between **9:30am and 3:30pm** with our teams on site one hour before and one hour after the works to set up and secure the site at the end of each day. While this closure is operational a signed diversion route will be in place. Please see the map overleaf for more information.

Access to properties and businesses will be maintained while these works progress. Residents of Crewe Lane will need to travel via Glasshouse Lane while works are taking place on the junction between Crewe Lane and the B4115 Ashow Road.

On street signage will provide updates to road users on the dates and times that this work will be operational for.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
