Updated dates - Temporary road closure – Long Itchington Road

January 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are now underway in your area, carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Road closures on Long Itchington Road

LM is shortly due to start works for the second roundabout at The Fosse Way/Long Itchington Road junction. This means that Long Itchington Road (National Cycle Rte. 41) will need to close on both sides of the Fosse Way between 14 February until late May 2022.

The reason for the closure is to carry out utility connections, drainage, earthworks, carriageway realignment and tie-in works etc. as required for the construction of the roundabout at this location.

Also as previously notified, temporary traffic lights will continue be erected along the Fosse Way as and when required until the next phase of works commences along the Fosse Way, where a section of the Fosse Way and Long Itchington Road will be closed simultaneously around mid-April, to complete the roundabout at this location. However, we will send a notification closer to the time to confirm dates.

Access for properties and cyclists

Access will be maintained for households and businesses along the route and also for cyclists through National Cycle Route 41. A clearly signposted diversion will be in place (see map below).

If your property frontage is within the closure points, we will work with you to manage access into and out of your property. You may sometimes experience a short delay whilst we move machinery or create a safe path within the closed area during our working hours.

This timeframe is subject to consent, site and weather conditions so please do check on the road signs – any changes will be published on: www.hs2.org.uk/works-affecting-highways-in-south-warwickshire/. We apologise for any inconvenience caused.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
