

Notice of North Chilterns Access Road Update

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

We will soon look to have completed the North Chilterns Area haul and access road crossing points on Leather Lane, Rocky Lane and Bowood Lane.

The crossing points will be signal controlled.

To reduce disruption as much as possible, traffic lights will only operational during normal working hours, 8.00am to 6.00pm.

They will be in use for the full duration of our works.

When will these crossing points be operational?

We are expecting these crossing points to become operational between mid-October to December 2021.

That means from these dates you will see our plant and site vehicles using the crossing points as we progress with our works activities within the area.

With the traffic lights in operation, this ensures that all vehicles, public and construction can cross the highway in a safe and controlled way.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Crossing points due to become operational between mid-October to December.

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Varied activities with both quiet and busier periods.

Noise from plant and equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

What will the access and haul road crossing point look like?

The image below shows an indicative layout of what our access and haul road crossing points will look like.

You can see how there are separate lanes for our site vehicles and our larger plant and construction vehicles.

These crossing points will have gates in place to keep local traffic separated from construction traffic, enabling us to keep plant and vehicles within the construction site and off the road network.

The traffic lights ensure safe, controlled crossing from our works sites across the highway.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
