

Notice of piling works for conveyor construction

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

HS2 will be constructing a conveyor system to move excavated material from the Old Oak Common station site as well as the Victoria Road Crossover Box site to the Willesden Euroterminal site as part of our plan to reduce HGV traffic on the local road network. For more information about the conveyor, see: <https://www.hs2.org.uk/in-your-area/local-community-webpages/hs2-in-old-oak-and-north-acton/conveyor-system/>

In preparation of the conveyor installation, two towers will be constructed. The first tower will be located in the west box on the Old Oak Common Station site and the second will be located on the satellite site to the south of Wells House Road (please see map on page 2).

In order to build the tower, we will be laying 26 piles across both locations from Monday, 1 November for two to three weeks. The piling works will be carried out using state-of-the-art piling rigs which comply with statutory noise limits which will be monitored for compliance with local authority agreed levels.

The piling rigs will be operational during standard working hours from 8am to 6pm Monday to Friday, and 8am to 1 pm on Saturdays. The piling rigs are fitted with appropriate mufflers or silencers to minimise noise and vibration. The piles are being driven into London clay therefore noise and vibrations are expected to be minimal.

In order to install the piles to the south of Wells House Road, a piling rig and a small 60 tonne crawler crane will be delivered to the satellite site on Saturday, 30 October 2021 between 6am and 8am. This is an abnormal load delivery therefore, it will need to take place outside of standard working hours to minimise any impact on traffic.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

On 30 October 2021 a piling rig and crawler crane will be delivered to the satellite site to the south of Wells House Road between 6am and 8am.

Piling will take place during standard working hours from 1 November to 22 November 2021 on Mondays to Fridays from 8am to 6pm and on Saturdays from 8am to 1pm.

What to expect

There will be a piling rig and a crawler crane in the satellite site to the south of Wells House Road with piling works underway during standard working hours.

What we will do

We will use best practicable means to minimise any impact on our site neighbours.

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
