

Notice of Claydon Road closure, Lower Boddington

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. Further to the Covid-19 restrictions being relaxed we are now beginning to plan for future face-to-face engagement events and meetings. Whilst we continue to move forward, we will still continue to communicate with communities via letters, online meetings and phone calls. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What are we doing?

Following on from the earlier completed ecology surveys we will now be continuing our established programme of bat and ecology mitigation, however ahead of the planned Phase 8 work in your area we need to undertake some preparatory works which will include felling two trees by the early afternoon. Details of our earlier advertised works can be found here; [HS2 Works Notification: Notice of road closures, Wormleighton - High Speed 2](#)

To complete these works, we will need to hold traffic using stop and go boards in each direction for up to **15 minutes in each hour on Claydon Road**.

To reduce the impact of these works **we will not close Banbury Road between Warwick Road and Stoneton Lane/Leisure Drive on 30 October 2021**

The 15-minute delays will take place on **Claydon Road**

30 October 2021
