

# Notice of utility surveys, Saltley Viaduct and surrounding roads

October 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

## Upcoming utility surveys

We will be carrying out utility trial hole surveys on Adderley Road, Crawford Street, Cranby Street and Saltley Viaduct. To be able to complete these surveys safely we will need to put in place the following traffic management:

### Adderley Road - closure of footpath and lane closure

On Monday 25 October to Tuesday 26 October, we need to close sections of the footpath. Pedestrians will be diverted to the adjacent footpath. We will also need to put in place a lane closure with 3-way temporary traffic lights. These works will take place between the hours of 9.30am – 3.30pm.

### Crawford Street and Cranby Street - Road closure

On Monday 1 November 2021 to Friday 5 November 2021, we need to close a section of Crawford Street and Cranby Street from 9.00pm to 5.00am. Pedestrian access will be maintained. There will be a diversion route in place for vehicles.

### Saltley Viaduct - night-time road closure

On Thursday 4 November 2021 to Friday 5 November, we need to close Saltley Viaduct. The closure will be in place from 9.00pm to 5.00am. Pedestrian access through Penine Way will be maintained. A diversion route will be in place for vehicles.

Access to properties and businesses will be maintained throughout the works.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

## How we will carry out the work

To complete the utility trial hole inspections, we will use a vacuum excavator, which uses compressed air to loosen or agitate the ground. The loosened material is then removed using the vacuum on the machine creating a hole. At times we will also use hand digging tools to excavate the trial holes. Once the surveys are carried out, we will backfill and reinstate all the trial holes.

These surveys will help us to plan where utility diversions will be required, as we prepare to construct the railway in Birmingham.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:  
[complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
