# Notice of utility surveys on London Underground Ltd land off Park Royal Road

October 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

### Utility surveys in your area

We carried out a series of ground investigations earlier in 2021 around the Park Royal Road area. These helped us to understand the locations of utilities below the surface. We will be carrying out further drainage surveys from 1 to 3 November within the rail compound area off Park Royal Road. A map showing the location of these works is included on the following page.

Works will take place during the hours of 8am to 6pm on the 1 and 2 November 2021 and overnight from 8pm to 6am during a rail track possession on 3 November 2021.

These surveys will help us to understand the condition of the drainage system in the area and how best to protect it during construction of the railway. We will investigate the condition of the sewer system via a series of manhole covers using a camera and may need to flush the system if any blockages are found. Your utility services will not be affected during these works.

In order to gain access to two of the manhole covers, we will need to carry out some de-vegetation work. The de-vegetation works will commence during day shifts. Our operatives will be using power tools to cut back vegetation blocking access to the manholes.

You may also notice some noise from the tanker jet wash which will be on standby should we need to clear any blockages. There will be task lighting overnight which will be focused towards the work area during low light levels. We will monitor our working methods throughout these works to ensure any disruption is kept to a minimum.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

1 and 2 November 8am to 6pm

3 November overnight  
8pm to 6am

We may be on site for an hour before the start and/or end of the shift

### What to expect

Surveying equipment will include a CCTV camera

You may notice additional noise during these works from the tanker water jets should we need to clear a blockage

You may notice additional noise from tools used for de-vegetation works

You may notice additional task lighting during low light levels – these will be directed towards the work area and away from residential properties

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. [www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
