

Completion of pipeline diversion works near Rookery Lane, Hints

October 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. To allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply, Cadent has been working to move underground gas pipeline that runs near Rookery Lane, west of Hints, since April 2021.

What are we doing?

We have now finished moving the pipe on land either side of Rookery Lane, and have successfully carried out routine testing on the relocated pipeline. We have carried out work to replace topsoil and vegetation that we had to remove to carry out the diversion.

All Cadent work at this site is now complete.

We would like to thank local people for their continued patience throughout the duration of our work.

How will this affect you?

Cadent has left behind some equipment, including fencing, for other HS2 contractors working in the area to use.

The access that Cadent constructed off Rock Hill/Watling Street will also remain in place for other HS2 works. HS2 will keep people up to date as other works in the area progress.

COVID-19

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

- All Cadent work complete
- Core HS2 working hours are 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Other works being carried out by HS2 at this site
- Cadent's site access and works compound off Rock Hill/Watling Street, and some equipment, remaining in place for other HS2 works

What we will do

- Keep people informed of other HS2 works in the area
- Maintain a safe working environment

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
